

Sophie D'Orléans

Soft, but not weak. Bubbly, but not airy. Sophie D'Orléans is a Canadian singer-songwriter and multi-instrumentalist with an insightful message.

Infused by the warmth of her travels through Latin America, and her studies in Anthropology, D'Orléans' music will soothe and nourish you like a Springtime afternoon hike.

The music video for her debut single *From Me* was released on March 8th, 2021. She's performed at festivals and music series across Canada including Encore Ottawa 2 and City Folk's Marvest Festival. From 2014 to 2019, she was the songwriter and lead singer for the indie soul group The Sophistocrats with whom she released a first EP entitled *Together*.

She's currently recording her first EP. You can catch a glimpse of her creative process and new music by joining her community supported Patreon page.
